Procedure for Uniform Infringement

Students will be checked during HS Roll Call and Primary line-up and teachers will inform students if they are in violation of the dress code.

Students must fix their garments immediately in order to conform to the dress code. Incorrect jewellery will be confiscated until the end of the day. If the problem cannot be fixed, the student will be sent to the office where parents will be notified and they will be given an infringement notice. Students may either:

- (a) be sent home to fix their uniform and return immediately. If they do not return immediately, they will be disciplined for truancy; or
- (b) if relevant, have a parent bring the required clothing item (or purchase a new one from the uniform shop).
